Go! onderwijs van de
Vlaamse Gemeenschap

Our institute is proud of...

1. Pedagogical Project

Motivation:

based on humanistic and democratic moral values, in a spirit of active tolerance,
Respecting freedom of opinion
And taking into account the rights of children

2. Quality control system

Motivation:

- Curricula, based on attainment target and development goals set by Flemish parliament
- Internal evaluation: self-evaluation without set rules (pedagogical guidance service)
- External evaluation every 5 to 6 years (inspectors using CIPO model)

One challenge that we meet is...

- reforming the secondary education

Explanation:

- Preventing of the cascade system
- Social disadvantage and education experiences
- Reducing early school leaving
